VOTE

Ike Has Slight Lead Over Adlai In Student Poll; Faculty Split

By Gary Singer

The UB presidential preference straw vote is now past history and the final tabulation indicates that those who voted are fairly well split, with neither candidate getting a clear majority.

Of 253 student votes, Ike received 137, Stevenson 111 and 1 for Hallihan.

Four students checked the "don't know" box.

The faculty and staff, with perhaps a bit more maturity and experience to back up their choice, voted practically 50-50 with Ike ending on top by a single vote, 69-68, with 13 non-committed.

Of the 253 students voting, only 126 were of necessary voting age. This group showed a preference to Ike 76-50.

The breakdown by age and major follow.

Election Issue Out Wednesday

"Next week's SCRIBE will bring complete national and state election returns to the students by noon on Wednesday," stated Dick Handler, SCRIBE editor.

The election issue will be distributed at the Snack Bar, Fairfield Hall and Bishop Hall the day after election instead of Thursday, the usual date of publication.

The SCRIBE is receiving full cooperation of the journalism department and Mr. Theodore Dahl's advanced reporting class, which plans to stay up all Tuesday evening compiling the state-by-state returns and Connecticut's congressional race figures.

TIME OUT - Three members of the Campus Thunder cast take a break in rehearsals for a short chat. L-R: Alberta Ivanko, Dave Howard and Cynthia Richelsoph enter into what looks like a semi-serious discussion from the look on Dave's face.

Dr. Rassias Returns; Likes Spirit Here

By Myra Seide

UB can brag of its own "American In Paris." Unlike the romping screen personality, Gene Kelly, however, our celebrity is scholarly Dr. John Rassias, University alumnus and presently an instructor in French here.

Graduating Summa Cum Laude in 1950, Dr. Rassias was awarded a Fulbright Scholarship for two consecutive years, enabling him to spend that time studying in Paris. Students were able to gain insight into the life of a student abroad at a Convocation two weeks ago when Dr. Rassias related many anecdotes of his trip and explained some of the aspects of French education.

Claiming that there is a difference in purpose between the French and American students, Dr. Rassias said, "American students

Last Chance To Have Wistarian Pics Taken

The last opportunity for students to have pictures taken for the 1952-53 yearbook is Nov. 5, 6, 7 or 8 at the Crown Studio, 66 John St. between 9 A. M. and 6 P. M.

Pictures taken in previous years will NOT be used because of mechanical difficulties resulting from their use.

Political Club Debate Tuesday In Snack Bar

Next Tuesday's Student Council meeting will be held in the Snack Bar at 10 A. M. with an open forum on the pros and cons of having political clubs on campus.

February Grads Must Apply At Records Office

Applications for February, 1953, graduation degrees are now available in the Records Office. These applications must be filed by Nov. 15; they will not be accepted after that date.

In filing for a degree, the person assumes all responsibility for his or her eligibility. To be certain, do these two things:

1. Check with your adviser to make certain your major requirements are fulfilled.

2. Make an appointment with the Records Office to have your records checked for over-all requirements.

All students who indicated at registration time that they expected to be eligible for February '53 graduation have been listed and placed on the various campus bulletin boards.

If you expect to graduate at that time, and your name is not on these lists, inform the Records Office. If you do not intend to graduate and your name appears, inform Records Office.

Bad News Gals:

Male Proportion Decreases As Total Falls Off

By Bob Paul

There are 2,495 students enrolled in the Day and Evening Division of the University this year.

The Day Division shows a decrease of 285 in the number of students attending UB, with 1,041 this year as compared with 1,326 last fall. The Evening Division total for this year is 1,454. Last year's totals are not available.

The ratio of men and women this year is 2 1-3 to 1, as compared with approximately 2 1/4 to 1 last year. There are 691 men in attendance this year and 310 women. Last year saw 920 men and 406 women.

The percentage of veterans has decreased sharply. This year there are about 11% as contrasted with 31% last year. The total veteran's enrollment is 116. Last year there were 319.

Here is the breakdown by classes:

	1952	1951
Freshmen	331	404
Sophomores	233	343
Juniors	181	216
Seniors	205	267
Graduate Students	8	12
Special	43	32
Reading Lab	40	52

Harvey Seltzer, Student Council president, has announced that the meeting will be open to all students and faculty. He will act as chairman and listen, along with the Council, to all students who want to speak on the subject of political groups.

"This new technique of involving every student in this vital issue, as well as all future issues to be brought up in this manner, will give each student the opportunity to express his opinion on an issue," Seltzer told THE SCRIBE.

He added that "I hope it will make the Student Council's decision on issues more representative and democratic. I hope that all students will take part in this discussion and thereby influence the decisions that Council makes in representing them."

The following week, the Council will discuss either censorship in THE SCRIBE by the administration or an increase in the Student Activities fee which now stands at \$6 per semester.

Scribe Teaches Journalism Starting Next Week

The SCRIBE will begin informal workshops on news writing, feature writing, copy reading, make-up, headline writing and proof reading on Tuesday at 4 P. M.

The work will be in The SCRIBE office. Members of the Editorial Board and the journalism department will conduct the sessions.

The meeting is open to the entire University student body, but SCRIBE staff members are urged to attend.

The House That Cooperation Built

We were over at Alumni Hall last week to check the progress of our new building. We were pleasantly surprised to see that the painters have nearly completed the third floor and have already started the second floor.

The roof has been refinished and acoustic tile has been installed on the first floor. All the major inside work is near completion.

Outside appearance is deceiving. The inside progress is encouraging. Unofficial word has it that student organizations will start moving in to the top floors by Nov. 15.

We all worked for Alumni Hall By Fall, and we're going to have it. Why not stop over and see The House That Cooperation Built.

Sore Thumb Needs Bandaging

The students and faculty should be very proud of our music department, and equally ashamed of the way this department has been treated and mistreated since its inception in 1947. The department stands as an outstanding achievement of how a few men have molded together many excellent and smooth running music classes and organizations, offering recitals and entertainment, with close to nothing to work with.

The department has long suffered "Snack-Bar-ites." Its Fones Annex headquarters stands as a sore thumb of the University. The glee club and chorus are forced to rehearse in Central Annex; recitals must be given in Wistaria Hall, the Library or "off-campus" locations where the acoustics are far from desirable. Music classes, individual practice sessions and orchestra rehearsals must be conducted in competition with the Snack Bar juke box and customers' voices.

Much potential music talent has been stolen from us because of our inadequate facilities and limited number of financial aid schemes. Finding students to participate in the once famous men's chorus, glee clubs and marching bands is like looking for army enlistments. The number of music majors seem to be decreasing disproportionately to the enrollment and the number of students participating in musical organizations is equally discouraging.

We mention for the record, that this department, probably more than any other, has been called on time and time again to render service to the University and to the community in the University's name.

It is our plea that all members of the University community become aware of this department's activities and problems; encourage them in their fine work; participate with them; and find a means of bandaging their "sore thumb."

have more school spirit. This is probably due to the fact that there are not as many extra-curricular activities in Europe."

There are organizations such as English and Latin clubs, but these are meant more or less to supplement classes. Sports are not as important to the French student.

Although clothing is expensive, education itself can be had for a comparatively small fee. The tuition is only \$6.00, and a student can live on \$75 a month, according to Dr. Rassias.

Dr. Rassias claims he is enjoying teaching at UB tremendously. A better attitude is employed in the United States than in France between teachers and students. Teachers are considered more or less oracles in France.

Dr. Rassias says that he would like to go back to Paris someday to continue his research. The experiences and people he met in Europe, he considers invaluable.

SPORTSCOPE this week would like to thank Harry O'Brien for his excellent suggestion of selecting the player of the week. In the future we will name the outstanding lineman as well as the backfield star.

This week's selection for lineman of the week goes to Hal "Ruff" Trischman. "Ruff" played a 60 minute game on Saturday night and did a great job, despite the fact that he received a painful shoulder injury. "Ruff" recovered a fumble and played heads up ball in the UB line.

The backfield selection goes to Bob Perez who played offense as well as defense. Bob was outstanding on defense and although his ball carrying was limited, proved to be a valuable asset in the ground gaining department. Bob's run in the last quarter set up the touchdown pass from Nastasia to Tedesco.

* * *

Harry O'Brien who helped to rearrange SPORTSCOPE policy is a great asset to any school and the students at UB can really be proud of Harry. Harry is a veteran and a native of Norwalk and still resides there.

Harry or "Hack" is a junior, majoring in accounting. His name appears on dean's list consistently. He is a member of the football team and is also a candidate for the basketball team. On top of this he works during the week beginning in the wee hours of the morning, 4 A. M. to be precise.

* * *

Mother Tursky is being crowded in his effort to gain All-American IM honors by another SPA man, a chap by the name of Harvey (AH) Seltzer.

Walter Lombardo, who has done a great job with the cheerleaders, is recruiting players for the POC "Wonder Boys" football team.

A bow from the Sportscope bonnet to J. J., the cheerleaders, and the Bridgettes who were at the game to bolster spirit despite the frigid digits. Judy Feller is still thawing out her little toes.

The boys at Arnold are still talking about the UB that was burned in the Arnold field. It was pretty well covered up by game time, but it still showed Arnold the type of spirit we have at UB.

The crowd from UB at the game Saturday night far overshadowed the Arnold attendance.

Joe Iovino has been working the yardsticks at the football games for UB in the absence of "Heavyhips" Kerpchar, who left for the Army Monday.

Johnny "Babe" Longo still making headlines in football. "Babe" is playing for the Stratford College All Stars and scored one of their TD's Sunday.

AGP Maintains IM Race Lead

By Mickey Vail

By virtue of sweeping two games, AGP retained their leadership in IM football play. SPA having played one game less but having a 4-0 record stayed right on the leaders' heels in second place. POC with a 3-1 record and APO with a 2-2-1 remained in third and fourth places.

AGP had a close call against Trumbull Hall, but pulled it out 7-6. Nick Levycky caught an Ed Scarlet aerial to tie the score and Ed added the deciding extra point on an end run. AGP received a gift win when Park Hall failed to show up for the game.

SPA playing with only five men, trounced APO 13-6 to keep their record intact. Al Lepow and Harvey Seltzer scored for the victors and Mom Tursky's line play kept APO from advancing.

Trumbull Hall moved into fifth place by scoring over Park Hall 6-0. Ed Zech went over for the victors on a disputed pass play. By forfeiting to APO, Theta Sigma dropped to sixth place.

Walt Lombardo led POC to a victory over Trumbull Hall 14-0 to almost insure his team third place.

Nolan of AGP New IFC Head

By Nina Silver

Bob Nolan of Alpha Gamma Phi was elected president of the Inter-Fraternity Council at a meeting held recently. Other officers include: Fred Mills of Theta Sigma, vice president; and Barbara Kelley of Theta Epsilon, executive secretary.

The IFC decided that all transfer and freshman students will be ineligible for closed fraternity or sorority affairs until they have completed at least twelve semester hours. They will, however, be permitted to attend open affairs.

Bob Miller heads the publicity committee which was set up to inform students of all IFC news. He will be assisted by Charles Smith, Barbara Kelley and Nina Silver.

Each fraternity and sorority must deposit ten dollars with the organization by the first of Nov. Eighty percent of this fund will go towards a working fund, and twenty percent will go toward an emergency sinking fund. If there should be a surplus at the end of the year, the original \$10.00 will be refunded and the remainder will be put back into the sinking fund.

UB's Purple Knights Play St. Michael's Saturday

By Irv Sobolov and Al Munrowe

Hampered by the sparkling air attack of the Arnold Terriers the UB gridiron squad went down to its fifth defeat of the season by the score of 18-6.

The Terriers scored their three touchdowns the first three times they got their hands on the ball. Dick Giansello, Arnold quarterback, was personally responsible for all the Terriers TDs as he scored himself, and threw two touchdown passes for the others.

The lone UB score came in the last quarter as Nastasia took a pitch-out from Harry O'Brien and threw a perfect strike to Tom Tedesco in the end-zone.

Saturday finds the UB squad traveling to Winooski Park, Vt. to take on the Purple Knights of St. Michaels. Last season the Michaelmen were the only undefeated gridiron team in New England.

The Michaelmen lost thirteen key men from last year's squad. They opened the season by defeating St. Francis of Penn. and absorbed their first defeat in 10 games when they lost to Arnold 13-9. They knocked off the U of Vermont and since then have lost to both American International and Springfield Colleges.

The defense of the Michaelmen is equally as strong as their offense, having allowed only four touchdowns all of last season. Among the stalwart linemen is Cary Hamrah, picked by the Saturday Evening Post as one of the outstanding sophomore prospects in the country.

The UB Knights will be without the services of Mickey Donahue because of a head injury, and they might also be without the services of end Ray Glatkowski who injured his knee in the Arnold game.

MOODS AND OLD MAXIMS

Who, these days, remembers the old copybook maxim about doing one thing at a time? Ah, what a dull old world that would be!

There's so much more fun in variety, really... especially in what you wear. Sweaters and knitted stoles, for instance, are nice to have in all kinds of colors. And knitting several at the same time is the most fun of all.

That way you start on something that takes a while, like a knitted jacket... and do socks, your sweaters, and other things in between. You simply suit the work and even the color to the mood you're in (Though you'd go some to find moods for all the lovely colors you might choose in "BOTANY" NO-DYE-LOT YARNS.)

Even if you resume knitting a half-done article while visiting some outpost in the country, you needn't fret about matching colors... not with misty-soft "BOTANY" BRAND NO-DYE-LOT YARNS of 100% virgin wool. Whatever the shade, YOU CAN MATCH ANY COLOR... ANY TIME... ANYWHERE. You can buy "BOTANY" BRAND NO-DYE-LOT YARNS at

Lenny's Wagon Wheel will be transformed into a HOUSE OF A THOUSAND FACES at 9 P. M. tomorrow night when the crowd arrives for the TE Halloween Ball. Everyone is coming as someone else (that's not such a bad idea) and there will be prizes awarded to the best-dressed deceivers there.

Tickets for this dance are \$1.50 per couple, and any of the girls will be more than happy to sell you one today, tomorrow or tomorrow night at the door.

Some of the things that happen on this campus (and off it too) are very difficult to figure out. On Oct. 22, TE had a formal tea in the Hunt Room of the Hotel Barnum. Four nights later, on Oct. 26, ADO had a beer party (another one?) for their pledges. Now get this. The beer party was also held in the Hunt Room of the Hotel Barnum.

What I can't understand is why TE didn't wait four days to have their tea, or why ADO didn't have their party four days sooner. Can you just picture a formal tea and a beer party in the same room? It sure sounds like a lot of fun to me.

The Marketing Club, this year under the able leadership of Ron Doby, held meetings last Monday afternoon and evening in an attempt to get the greatest possible turn-out of members. This seems to be a very sound idea, and maybe some of the other groups on campus that complain of a lack of attendance can use this same system.

These dual meetings will be dropped as soon as the most popular time for a meeting is found. This method will bring attendance to a maximum, which is where it should be at all times.

Schiott Hall was the scene of a fashion show this past Monday and Tuesday, presented by the Fashion Merchandising classes. Featured in the show were sports wear, daytime fashions and lingerie. This is the same group that journeyed to New York recently to visit some of the larger manufacturing concerns in that city.

Everyone had a ball at the open house in Wistaria Hall Sunday last. The building has never seen so many people enjoying themselves so much in all its history.

SLX had a large gathering of members, alumni, prospective and friends at their second annual dinner-dance in the little Hungry Restaurant recently. Everyone commented about the proceedings

and plans are under way for a repeat performance.

The next time you are downtown and have a few minutes to spare, stop in the Pink Elephant Room of the Hotel Barnum and see the singing waiter Gaynor Lennon do his stuff. Gaynor took this job last week and he claims he misses seeing his friends on Thursday nights.

It came as a surprise to learn that Frank Rizzardi is pinned. I asked Frank about it, and sure enough, it is true. The lucky girl is cute little Mary Donini. Hope they are both very happy.

SCENE IN SNACK BAR. Wednesday, around 12:30, I noticed Peggy McMahon and Noren Poeter (Both of Linden Hall) sitting at a table with their attention on something between them, and just out of my vision. Wondering just what it was that could keep two young college girls so interested, I wandered over to have myself a peek at this miracle. LO AND BEHOLD! It was a copy of "How to Win Friends and Influence People" by Dale Carnegie. (What's the matter, girls, afraid of losing your touch?)

At a formal initiation Sunday night, BG brought 9 girls into the sorority. The latest additions are: Joan Beaumont, Lee Carducci, Barbara Fredrickson, Kay Fleming, Marge Gale, Maura Murphy, Elly Ondeck, Bette Sarnast, and Jane Sudrow. Congratulations new members of BG.

THESE HANDS ARE PRICELESS!

They protect the American way of life . . . our homes, our freedoms, our future.

These Hands, sensitively trained to respond acutely to the commands of an alert mind and courageous heart, are the hands of a United States Air Force Pilot.

The skillful touch of these hands attunes the blasting speed of modern jet aircraft to effective missions in discouraging any enemy. These hands are supremely capable of flying and fighting these machines with devastating effect.

These Hands belong to young, spirited American men (not supermen) who desire to live unmolested in a free America . . . who want to enjoy the same rights and opportunities open to all real American people.

These Hands belong to our sons—yours and mine. Youths who must decide today how they can share in defense of our nation and also better themselves. To insure greater chances of their success, today's college men should be encouraged to complete their education and then serve their country best by enlisting as Aviation Cadets in the U. S. Air Force.

Theirs is the choice of becoming either a Pilot or Aircraft Observer. After graduation as Second Lieutenants in the U. S. Air Force, they wear the silver wings of flying executives and begin earning nearly \$5300 a year.

These Hands represent a man ready to qualify for this tremendous task because he is between the ages of 19 and 26½ years, unmarried, and in excellent physical condition, especially eyes, ears, heart and teeth. He possesses at least two years of college and the inherent urge to fly.

These Hands shape the destiny of America . . . the difference between our survival and oblivion. The U. S. Air Force needs the hands, the minds and the hearts of young Americans who desire to make the American way a greater way of peace and happiness for all.
